Cut Off Times & Short Cuts**

In order to stay on time with the forests, municipalities and the Pinelands Alliance, we are implementing the following cut-off times and recommendations.

We want everyone to enjoy themselves. All rides are more enjoyable when you finish on 2 wheels instead of in a SAG vehicle, when you arrive at the finish while food and drink are still available, and when you are not too exhausted to enjoy them. So, if your day isn't going as you planned, we've implemented the following measures:

Cut Off Times		
Description	Location	Action
Long & X-Long Course Cut-Off	Mile 14.3: Long/Medium Course Split (Moores Meadow Rd @ Chatsworth Rd/CR-532)	All Riders who arrive at this location after 10:00 AM are advised to make the left turn onto the Medium Course at Chatsworth Rd in order not to finish past the course closure time.
Medium Course Cut-Off	Mile 11.0 Short/Medium & Long/X-Long Course Split (Sooy Place @ S. Park Rd)	All Riders who arrive at this location after 10:30 AM are advised to stay straight on Sooy Place to continue on the Short Course in order not to finish past the course closure time.
Short Cut 1	Aid Station 1: Woodland Fire Co	All riders who depart Aid Station 1 after 11:30AM are advised to take Short Cut 1
Short Cut 2	Isaac Budd Rd @ Bed Bug Hill Rd.	All Riders arriving at this intersection after 3:30PM are advised to follow Shortcut 2
Course Closes	Pinelands Alliance	All Riders still on the course after 4:00 are "On Their Own".

Since there are a total of 5 courses, if your day isn't going to plan, you can switch routes where the courses split. If that still isn't doing the trick, there are additional Short Cuts available. Please note, if you go off the official courses, we may not be able to support you in a timely fashion.

Short-Cut 1: By taking Short-Cut 1, you'll save 3.1 miles of riding and avoid 1 sector of sand road				
Location	Medium Course	Long/X-Long Course		
Aid Station	Mile 19.3	Mile 33.5		
Description	From the Aid Station at the Woodland Fire Company, Turn Left onto Main Street, and cross Tabernacle Chatsworth/Lake Rd/CR532 (where the official course goes). You'll pick up the course again 2.5 miles later, when the official courses rejoin Main St (from White Horse Rd), just prior to the right turn onto Sooy Place.
